

The image shows a 12x12 grid-based maze. The start is marked by a green dot at the bottom-left corner (row 12, column 1). The end is marked by a red dot at the top-right corner (row 1, column 12). The maze is composed of white paths and black walls. The walls are represented by black squares, and the paths are represented by white squares. The maze is a standard 12x12 grid with some cells blocked by walls.
